

Brian Arden Group Wine Experiences

*T*hank you for your interest in hosting a group wine experience with us. From a small lunch to a large dinner we have a food and wine pairing experience to fit your needs. We will work with you to personalize your gathering and will make it our priority to ensure it is a success.

*B*rian Arden Winery is a small family owned and operated winery. Our beautiful tasting room features stunning views of the surrounding mountains and vineyards, rustic architecture, and a comfortable setting for any type of gathering. We are just minutes from downtown making us the perfect location for your next wine experience.
